### **ERDC Intranet Links to CEFMS/CEEIS Assistance and IM Support Resources**

The ERDC Intranet IM page (<https://erdcinfo.erd.usace.army.mil/im/>) has been updated to include a new link to information on CEFMS/CEEIS Network monitoring and assistance. Also new are links to ERDC-wide resources including Computer Support, Graphics Support, Editing/Publishing Support, Computer Security, Software Libraries, and Outlook on the Web. The ERDC public Research Libraries and the ERDC Business Card Templates have been linked from the IM page since the early years of the ERDC Intranet. There is an ERDC-wide team working to further coordinate and develop the Computer Support resources on the Intranet. (Nancy Greeley, (603) 646-4582)

### **Commander's Mailbox**

ERDC team members are reminded that an electronic mailbox has been established to allow employees to send questions and/or comments to the Commander. If an employee wishes to remain anonymous, his or her name will be deleted from the question before it is forwarded to the Commander for comment. Employees' questions will be answered via return e-mail. Answers to anonymous and frequently asked questions will be posted in the Employee Information Bulletin.

The address in Outlook is, "ERDC Commander." Again, all information is kept strictly confidential and all questions are addressed directly by the Commander.
