Bulletin Publication Change

With the establishment of an ERDC-wide Information Bulletin, which will be published every 2 weeks, individual site Bulletins will now be published in the “off” weeks. Please keep this in mind when submitting articles and information for the site Bulletin. The next Alexandria Site Information Bulletin will be published on March 21.

Commander’s Mailbox

ERDC team members are reminded that an electronic mailbox has been established to allow employees to send questions and/or comments to the Commander. If an employee wishes to remain anonymous, his or her name will be deleted from the question before it is forwarded to the Commander for comment. Employees’ questions will be answered via return e-mail. Answers to anonymous and frequently asked questions will be posted in the Employee Information Bulletin.

The address in Outlook is, “ERDC Commander.” Again, all information is kept strictly confidential and all questions are addressed directly by the Commander.
