Bulletin Publication Change

With the establishment of an ERDC-wide Information Bulletin, which will be published every 2 weeks, individual site Bulletins will now be published in the “off” weeks. Please keep this in mind when submitting articles and information for the site Bulletin. The next Alexandria Site Information Bulletin will be published on July 11.

Commander’s Mailbox

ERDC team members are reminded that an electronic mailbox has been established to allow employees to send questions and/or comments to the Commander. If an employee wishes to remain anonymous, his or her name will be deleted from the question before it is forwarded to the Commander for comment. Employees’ questions will be answered via return e-mail. Answers to anonymous and frequently asked questions will be posted in the Employee Information Bulletin.

The address in Outlook is, “ERDC Commander.” Again, all information is kept strictly confidential and all questions are addressed directly by the Commander.

Condolences

Condolences are extended to the family of Doris LaVerne Bonar, formerly of TEC’s Contracts Office. LaVerne passed away June 23 after a long battle with cancer. During her career at TEC/USAETL, LaVerne was the co-recipient of the 1981 Commander’s Award for Administrative and Technical Support. She also received the award in 1987. In lieu of flowers, the family requested that contributions be donated to the Mary Washington Hospice.
